

*Ann M. Collins, Founder*

*Aunt Ann's Agency was founded in 1958 by Ann M. Collins to meet the need for qualified household help expressed by her five children. As Ann's family has grown to over 70 members, our agency has grown, and kept pace with the changing needs expressed by several generations of clients.*

*Aunt Ann's Agency is a locally owned and operated business. For over 30 years, three generations of our family have been serving the needs of families throughout the San Francisco Bay Area. We understand the special needs of families — for competent, caring and compatible in-home personnel.*

*Our experienced employment consultants place just the right person in your home — for infant care, elder care or household care. We have successfully assisted over 10,000 families in hiring an in-home employee.*

*Our staff looks forward to serving the families of today and tomorrow. Call Aunt Ann's, and experience our Tradition of Caring.*
